INFOLABS

CAPABILITY STATEMENT | Professional and IT Staffing | On-Site Workforce | Software Licensing

SBA 8(a) Certified | EDWOSB and WOSB | Small Disadvantaged Business | Virginia SWaM | New York State WBE

CORE COMPETENCIES

- **Professional and acquisition staffing.** Full-lifecycle recruiting, W-2 employment, credential verification (including DAWIA and FAC-C), onboarding, badging and CAC coordination, replacement coverage, and payroll that does not wait on government payment cycles.
- **Hourly and on-site workforce.** Crews of up to 16 with a working supervisor on site: warehouse, construction-site, administrative and general labor support.
- **IT staff augmentation.** Developers, cybersecurity, cloud, data, QA, help desk, project managers and business analysts, on site and remote.
- **IT projects and software licensing.** Application security platforms (SAST, DAST, SCA) and enterprise software procurement and renewals through major distributors at GSA pricing.

PAST PERFORMANCE

Defense Health Agency Prime, current | Contract HT001427PE004

8(a) award by DHA HCD-NE: five-year on-site services contract at Walter Reed National Military Medical Center, Bethesda, MD. Personnel onboarding, CAC coordination with the COR, sponsor-verified timekeeping and WAWF invoicing. Awarded October 2026 and performing.

CareMetx LLC Prime | $1.46M

Healthcare IT quality assurance in Bethesda, MD. Took over a troubled contract, retained 60% of the incumbent team, and delivered the remaining 40% as vetted, background-cleared hires within 7 working days with no break in service.

State of South Carolina Prime, current

Statewide IT staff augmentation with full payroll responsibility. We compete among 235 approved vendors and submit vetted candidates within 5 business days.

NYC Department of Health and Mental Hygiene Prime, current

Five years of continuous consultant staffing for the Division of Disease Control, with additional consultants onboarding now.

Los Angeles Unified School District Prime | $762K, three years

District-wide application security platform (Veracode SAST, DAST, SCA). Named highest-scoring bidder.

QYK Brands and BaRupOn LLC Prime, commercial

Hourly workforce programs: 16 warehouse staff for four years and about 14 construction-site workers for more than two years, each with on-site supervision and regular status reporting.

WHY INFO LABS

- Current DoD prime with working CAC, onboarding and WAWF processes.
- Fast start: candidates selected in 5 business days, then onboarded with background check cleared in 5 more.
- 19 years. 1 million plus staff hours. Never missed a payroll date.
- Proven transitions: 40% of a team backfilled in 7 working days.
- Leadership personally engaged. Same-day response.

THREE WAYS TO AWARD TO US

1. 8(a) direct award

Sole source through SBA, under the threshold. No competition required.

2. WOSB or EDWOSB

Set-aside or sole source in eligible NAICS codes.

3. Small business set-aside

Including simplified acquisitions and purchase orders.

No requirement is too small.

One person or a full crew, your work gets our full attention. Give us one opportunity, and we will earn the next one.
